Dear supporter

Please find below the 2012/13 season ticket offer. We are pleased to confirm that we have frozen season ticket prices for the coming season.

The structure of the league has changed for this coming season with only the top 4 teams in the league progressing through to a double header semi final and final. Also the B & I cup structure has changed which will see 3 home games from the pool stage of the tournament.

Our offer this year will include for all 11 games in the Championship league plus the 3 home games of the B & I cup. As a bonus season ticket holders will gain free entry to the semi final and final should we progress to the latter stages of the Championship competition. In addition, in order to demonstrate our commitment to Clifton Lane being the home of Rugby for all the family, any adult season ticket ordered pre season will be eligible for a free under 16 season ticket if ordered at the same time.

Due to the uncertainty as to where any quarter final, semi final or final will be played for the B & I cup these cannot be included in the season ticket offer.

We look forward to your continued support for what we believe will be an exciting season. Our new squad has more depth and ability which will allow for us to compete in every game, encompassing our ambition to progress to stage 2 of the Championship and to win the B & I cup this coming season.

Kind regards

Rob Hannon
Chief Exec
